Good Lookin Cookin

Malcolm Newbold of Good lookin cookin has been catering for film and TV for over 20 years and still going strong!

Our philosophy is simple. To provide smart & healthy food with substance.

Incorporating real high quality tastes, day in day out and above all else on time. We specialise in modern classics, Indian & Asian cuisine.

Our company has grown rapidly over the past 12 months. Having recently joined forces with other alliance catering partners.

We now have the resources to operate large scale films & movies, government, corporate and sporting events 7 days a week. The company has a medium size mobile catering vehicle to ensure that we can cater your event quick and easy onsite without the mess or fuss.
